ABOUT US

The Nigerian Association of Paediatric Dentistry 7th Biennial Scientific Conference comes up on 27th–28th June 2024 in the ancient city of Ile-Ife, the Cradle of Yoruba.

The theme of the Scientific conference “Advancing paediatric oral healthcare through the integration of wellness and well-being” is geared towards promoting oral health of the child through the general health. It will feature keynote address, symposia, oral and poster presentations from Paediatric dentistry, Paediatrics, Public health nutrition, Obstetrics and Gynaecology, Public health and other specialties. The conference promises to be educative and enriching.

Seize this great opportunity to establish new connections, increase your professional network and relax. There will be a tour to the Moremi statue of liberty (the tallest statue in Nigeria), DEMA Foundation Dental Museum, Obafemi Awolowo University Museum and, Parks and Gardens.

Looking forward to seeing you in Ife-Ife for the conference!
